

Spellcasting Review 1 Instructions

FDDA 240

As the first quarter of our course comes to a conclusion it is time for a Spellcasting Review. Please schedule a meeting with your professor by owl. Your professor will apparate to you at the scheduled time and conduct the review.

For this review, be prepared to perform the following spells and charms:

- Rackablam
- Lumos Solem
- Duro
- Bubble-Head Charm
- Protego Horribilis

In addition to the above spells, be prepared to transfigure the following:

- Water to ice
- Dirt into garlic (reminder - **never eat transfigured food**)
- Change shape of raw material (for example turn a wooden ball into a wooden stake)

Your grade will be submitted by your professor after he has conducted the review.

Always keep in mind that these spellcasting reviews reflect 35% of your final grade and it is crucial that you prepare accordingly."
